Registration

Rosters

Players may NOT move to a different team once match play has begun for that level, unless approved by the State Combo Doubles League Coordinator. Players may be added to local rosters until midnight, August 10, 2017.

LOCAL LEAGUE

Number of Teams

When CTL does not have the required number of teams (two teams) in either the 18 & over, 40 & over, 55 & over, 65 & over age groups to constitute a level, the CTL coordinator shall either:

1. Offer to move team to another age division offered in that area in that particular level, if applicable.
2. CTL 18 & Over day leagues that do not have two teams will be offered to move to night league play at the same combo doubles level.
3. Move individual players to another team in that area or move them to an "extra players" flight to hold for future play in other leagues.
4. The Director of Leagues or State League Coordinator may move a singleton team to another area's league tree only if it is agreed upon by both local league coordinators and accomplished before that recipient area's deadline. Complete teams that are moved to play in a local league area other than their home local league must secure home courts in that local league they choose to participate unless both local league coordinators agree on something different.
5. Refund all of the registration fee.

Player Participation

- A player may play on more than one NTRP level in each age group.
- A player may play at the same NTRP level in the same age group on teams in separate local leagues in South Carolina during the same season.

- Each team must maintain its roster with at least 60% of players with SC residence through the SC state championships (players primary residence is to be defined in USTA records as SC).
- **For a two team flight in any age group, each roster must have a minimum of 3 combined pairings that equal the level of that flight.**
- Two team flights must play a minimum of 3 matches.
- Players who qualify for SC Combo Doubles State Championship in 2017 may advance on more than one team within an age group ONLY if they are different NTRP levels, but with NO schedule accommodations.

Scoring and Rest

A Match Tiebreak (first to 10 by a margin of 2) will be used in lieu of a third set for all CTL combo league matches, including play-offs. The Coman Tiebreak will be used for all sets at local for the third set.

COMPETITION FORMAT

Team Match and Scoring

Roster Registration

- Once a player registers and pays fees on TennisLink, there are **no refunds**.
- Team roster with a minimum number of legal players must be submitted into TennisLink by the deadline date published by the CTL Combo League Coordinator. Team rosters that do not meet this requirement will be deleted with **no refunds**.
- Players may be added to a roster on TennisLink until midnight of the add-on deadline date published by the CTL Combo League Coordinator. However, a player may not play for a team until the player has registered on the TennisLink roster. If he/she does play a match when not on the roster, the individual match will be considered a default.
- Player must have a current USTA membership valid through the local season and SC combo state championships.

Rating Entry

- Players with a valid computer rating must play at that NTRP level or higher.
- Players without a valid computer rating but who have a valid self-rating on TennisLink, must play at that level or higher.
- Players who do not have a valid computer rating on file in TennisLink, shall self-rate in accordance with the National Tennis Rating Program (NTRP) Guidelines and complete the self-rating process on TennisLink when registering for a team. Failure to provide accurate information regarding a player's tennis history will subject the player, the captain and/or others who condoned inaccurate self-rating to possible sanctions and disqualification.
- Players may appeal their year-end rating on line at any time during the league year. TennisLink will allow only one appeal.

Team Lineups

- a. The two team captains shall exchange their team lineups in writing simultaneously, prior to the beginning of the team match but no later than the scheduled start time of the match. No substitution may be made in an individual match after the lineup has been presented, except for injury, disqualification, or no-show of a player prior to the start of an individual match (once the lineup has been exchanged), a team may substitute a player in the affected position within the 15 minute default time, using a player not already listed in the lineup. If no substitution can be made, the affected position will be defaulted, except: if two players in the lineup, not playing with each other, do not show, then the two partners who did show will form a partnership, if it is an otherwise valid partnership, and play together in the higher lineup position.
- b. Starting Match Play. Warm-ups are 10 minutes! All individual matches will begin match play (i.e., the first serve will be made) within 15 minutes of the scheduled start time.

Defaults and Forfeits

- a. A default occurs when a team captain cannot field all positions for a team match. Defaults must be given "from the bottom" except as provided for in paragraph 8(a) above. i.e., the No. 3 doubles must be defaulted before the No. 2 doubles. To receive a win by default, the non-defaulting player or players must be present on court, ready to play; however, if a team captain advises his/her opponent in advance of the default, he/she, in effect, waives the requirement for the non-defaulting player(s) to be present in order to receive the default.
- b. If a captain is advised prior to a match that the opponent must default a position and that captain knows that he/she would also have had to default a position, it is incumbent upon that captain to demonstrate good sportsmanship and declare a double default rather than to accept the win.
- c. If a team defaults an individual match during or prior to the line-up exchange, and inclement weather forces the match to be postponed before a point is played in any individual match, the default is cancelled.
- d. If both teams default the same position, neither team will receive a win and the scorecard will indicate a double default.
- e. Each team will be allowed an average of one individual match default per team match. For example, if a team has 7 matches on the schedule, they will be allowed no more than 7 individual match defaults. If a team exceeds the allowed number of defaults, the league may file a grievance against that team. The grievance committee shall determine what appropriate action should be taken which may include forfeiture of all matches and/or disqualification from the next season. A captain has the right to appeal.
- f. **"Team forfeits' are not permitted in CTL League.** A 'team forfeit' occurs when a team defaults 2 or more individual matches in a 3-court team match. If a team commits a 'team forfeit' for any reason during round robin play, then all matches of that team played, or to be played, shall be null and void when determining standings. However, if all teams in contention for the championships have already played the defaulting team in good faith during a round robin, the

matches stand as played. Defaulted matches RECEIVED will be used for qualifying purposes for players advancing to Championship play.

- g. A team cannot force another team to default a team match. If the situation arises, the teams must contact the level coordinator who, in consultation with the CTL Combo League Coordinator, will make the final decision regarding the situation. The team that receives an entire team forfeit does **not** receive credit for the win as the match will be null and void. **It is in the best interest of both teams to work it out**, that at least the minimum number of positions can be played so as not to constitute a 'team forfeit'.
- h. A grievance may be filed against any team that commits a 'team forfeit'. The situation will be assessed by the Grievance Committee and sanctions imposed as appropriate. Penalties could include barring the team and/or its players from participating in future Columbia Tennis League tennis play for some specific period of time.

Entry of Match Scores into TennisLink

- a. **Match scores are to be entered into TennisLink by the home team captain within 48 hours of the completion of the match**. However, either captain may enter the scores.
- b. Captains are to sign each other's lineup/scorecard to confirm match scores and player names at completion of the match. It is strongly recommended that the two captains compare notes and confirm scores with players at the end of the match in order to decrease the probability of an erroneous score being entered into TennisLink.

Inclement Weather during Regular Season

- a. It is the responsibility of the home team captain to determine if weather conditions warrant the postponement of a regular season team match. If teams have assembled and have started to play or are waiting to start play, they should be prepared to wait one hour to determine if the courts are playable. It is recommended the home team captain consult with the visiting team captain prior to making the "play/no play" decision, especially if match play has already begun.
- b. If match play has not begun (i.e., no individual match has started), the team captains will arrange or have their individual players arrange, within 48 hours, the mutually agreeable make-up date(s). ALSO, within 48 hours of the original match date, Home captain MUST NOTIFY the level coordinator by e-mail of the rain-out status and the make-up date(s) for completion of the team match (e-mail must also be copied to visiting captain). The make-up date(s) must be within two weeks (14 calendar days) of the original match date. This allows both teams reasonable opportunity and flexibility to complete the matches. Once the make-up date is set and the level coordinator is informed, the make-up date is considered the official match date and may not be postponed unless there is inclement weather on such date, or unless approved by the level coordinator. Team lineups on the make-up day do not have to be the same as they were on

the day of the postponement even if the lineups had already been exchanged, and any defaults given during or prior to the line-up exchange are cancelled.

(1). If the two captains cannot mutually agree on a make-up date that will be within 14 calendar days OR **if matches have not been reported on TennisLink within 14 calendar days of the original match date, CTL league has established a standard make-up date/time that will automatically apply to any matches not completed at the end of 14 calendar days. This date/time is set by CTL league as 2:00 p.m. on the Saturday immediately following the 14-day deadline, and is binding on both teams. The Home team is responsible for obtaining courts.**

- c. If match play has begun (i.e., at least one point played in one individual match), completed matches stand as played, incomplete matches must be resumed by the same players at the exact set, game and point as when play halted, and matches not started may change the players listed on the lineup. Defaults given prior to or during the lineup exchange will stand. The incomplete matches or matches not started do not have to be played at the same time and date, but can be mutually arranged by the individuals involved in each of the individual matches. HOWEVER, the decision when to resume matches must be made and relayed to the team captain(s) within 48 hours, and the matches must be played within 14 calendar days of the original match date. ALSO, within 48 hours of the original match date, the home captain must notify the level coordinator of the rain-out status and the make-up dates/times by e-mail (e-mail must also be copied to visiting captain). Once the make-up date is set and the level coordinator is informed, the make-up date is considered the official match date and may not be postponed unless there is inclement weather on such date, or unless approved by the level coordinator.

(1). If the players or captains cannot agree on a make-up date that will be within 14 calendar days, OR **if the matches have not been reported on TennisLink within 14 calendar days of the original match date, the CTL league standard make-up date/time will automatically apply to any matches not completed at the end of 14 calendar days. This date/time is set by CTL league as 2:00 p.m. on the Saturday immediately following the 14-day deadline, and is binding on both teams. The Home team is responsible for obtaining courts.**

- d. If there is a city play-off or it is needed in determining an advancing team to state championships, the level coordinator may require an earlier time for completing make-up matches, and will set a date/time for completion which will be binding on the teams. Any matches not completed by the league deadline may be excluded in determining standings. Further, all make-up matches must be completed no later than the Sunday following the last scheduled match of the regular season.

Inclement Weather During City Playoffs.

a. During playoffs, it is the responsibility of the level coordinator to decide when a match must be postponed due to inclement weather. There is no maximum wait time, but it is at the discretion of the level coordinator to decide when players should be released.

b. Make-up times and dates will be determined by the level coordinator, in consultation with the CTL Combo League Coordinator. Completed matches will stand as played; incomplete matches must be resumed by the same players at the exact set, game and point as when play halted, and matches not started must be played using the same players as listed on the line-up at the time of the line-up exchange. In the event that postponement begins prior to the start (playing at least one point) of an individual match, the line-ups may be changed and defaults given during or prior to the line-up exchange are cancelled. Every effort will be made to play the make-up no later than the following day, subject to court availability, or as soon thereafter as the league can arrange for courts. (It may be necessary to shift playoff sites and court surfaces.)

Team Standings

The team winning the majority of the individual matches in a team match shall be awarded one team point. Team standings at the end of the regular season shall be in the order of the number of team points won. In the event that two or more teams in a flight have the same number of team points at the end of the season, the tie shall be broken in the following manner:

- (i) Winner of the most individual matches during the season
- (ii) Winner of head-to-head match
- (iii) Loser of the fewest number of sets during the season
- (iv) Loser of the fewest number of games during the season
- (v) Toss of coin by League Coordinator

CTL City Championship Format

Single Flight for level of play:

There are no CTL championship playoffs when there is a single flight for the level of play. The flight winner is the CTL city champion. The 2nd place team in the flight is the CTL runner-up team.

Two Flights for level of play*:

There will be a CTL playoff as follows:

Flight 1 Winner vs. Flight 2 Winner to determine CTL Winner and Runner-up.

Three or More Flights for a level of play*:

- (1) When there are 3 or more flights for a level of play, the winner from each flight will advance to the city playoffs. The flight winners will be ranked for city playoffs in a seeding format draw.
- (2) When the flights do not contain the same number of teams, the teams will be ranked by best season records, based first on number of team matches lost.

Ranking and ties will then be broken by calculating winning percentage of individual matches played, sets lost and then games lost. By way of example, a team with 7-0 record and a team with 6-0 record would be tied on team matches lost, and the tie would be broken by calculating best winning percentage of individual matches played.

- (3) The format will be single elimination to determine a CTL Winner and Runner-up.

*If CTL is notified of a wildcard prior to city playoffs, the CTL league coordinator may alter the format and schedule to include the top 2 teams from each division in the city playoffs.

Only the winning team from each specific NTRP level in each age division in local league competition shall be entitled to advance to the State Championship. If the winning team is unable to attend, an alternate team, preferably the 2nd place team, can be asked to advance. Any NTRP level with at least 4 teams will be eligible for a state championship wildcard if one is needed for championship draws.

Scheduling Accommodation for teams Advancing to State Championships

Should a CTL team progress to the State, Sectional Tennis Championship playoffs that conflict with a CTL regular local league match, team captains shall make accommodations in CTL match play – upon request of the team advancing to championships with notification to the level coordinator. **The captains should make every effort to reschedule the match to a date prior to the originally scheduled date.** If that is not possible, then the rescheduling procedures are the same as the inclement weather guidelines and the team captains must notify the level coordinator of agreements by e-mail (copy e-mail to opponent captain).

Match Conflicts with other events.

All other matches scheduled by CTL league are expected to be played as scheduled, unless inclement weather forces postponement. During the season, it is quite possible that a team will have a scheduled match that conflicts with **other events that do NOT require accommodation.** These might include events such as the Volvo Car Open, school holidays or spring breaks, extending weekends of a holiday, etc. Requests for accommodation for such other reasons should only be made by a captain if a team has a problem fielding a complete team for a match. The team requesting to reschedule a match for other reasons should do so at the beginning of the season and give the other team several dates prior to the match date. **If the other team does not agree to an accommodation, the match must be played at the original scheduled time.** If both captains agree to an accommodation, the captains should make every effort to reschedule that match to a date prior to the original match date. Further, the level coordinator must be notified of any agreement, and will make the decision whether to grant or deny the request. If denied, the match must be played at the original scheduled time.

CTL Playoff Eligibility

Players need not have participated in any minimum number of matches to play in CTL city play-off competition. By contrast, players must have played in at least one CTL local league matches, including play-off matches and retirements, in order to participate in the state championship.

1. **GRIEVANCE COMPLAINTS.** Grievance complaint forms, procedures and rules are posted on the SC Tennis Association website, and are incorporated herein by reference.
