## **4 STEPS CAPTAIN MUST COMPLETE BY APRIL 12, 2020 MIDNIGHT TO REGISTER TEAM:**

- 2. Captain must submit the team captain contact form for CTL Mixed Doubles League to provide email and phone contact numbers by filling out the jotform connected to this link. <https://form.jotform.com/200676924447058> You will also receive information through the TennisLink communication center so please make sure your USTA membership information has the correct phone # and email where you want to be contacted. This information also appears on your roster information.**
- 3. Captain must register the team on TennisLink and type your team code and home court code as part of your team name. TennisLink does not prompt you to enter these codes – you must type codes into your team name! (see instructions below)**
- 4. DEADLINE FOR REGISTERING A TEAM ROSTER WITH A MINIMUM OF 6 PLAYERS (3 men and 3 women) IS APRIL 12, 2020. It is the responsibility of the team captain to insure a roster of 6 players (3 men & 3 women) is registered on TennisLink by April 12, 2020! Team rosters that are not complete with 6 players cannot be placed on a schedule and WILL BE DELETED with no refund. Once a player pays registration fees on TennisLink, there are NO REFUNDS. TennisLink will not accept a player without a USTA membership current through the end of the Mixed Doubles season. CTL will shut down all registrations at midnight April 12, 2020 on TennisLink. Once the schedules are posted for the current season, CTL will reopen registration and additional players may register to join a team roster on TennisLink until the next to last scheduled match.**

**Mixed doubles season may start the week of April 27, 2020 depending on the number of teams and conclude in July. Schedules will be published on TennisLink and captains will be notified by email. Captains are to print scorecards from TennisLink for matches.**

All age divisions/NTRP levels must play a local league. No singleton teams will be allowed to advance to the Mixed Doubles State Championship. If only one team has signed up in your age division/NTRP level:

- A team can be moved to another area to play if the other area agrees to accept
- A team can be moved to another age division to play if applicable
- Individual players can be moved to another team
- Individual player registrations can be held and used for Combo or Singles League registration
- A refund can be issued

A player may play at the same NTRP level in the same age division (18 & Over, 40 & Over, 55 & Over and 65 & Over) on teams in separate Mixed Leagues in South Carolina during the same season.

Example: A player may play on a 6.0 team in the 18 & Over age division in both CTL and LATA. If a player advances on two teams in different Local Mixed Leagues at the same NTRP level, that player must choose which team he/she will play on at the State Championships. NO scheduling accommodations will be made for conflicts.

During the South Carolina Mixed League Season, a player may play at different NTRP levels in the 18 & Over, 40 & Over, 55 & Over and 65 & Over age divisions in the same Mixed League during the same season if qualified by age and NTRP criteria. Example: A player age 40 may play 6.0 and 7.0 in the 18 & Over and 40 & Over age divisions. A player 65 & Over may play 6.0 and 7.0 in the 18 & Over, 40 & Over, 55 & Over and 65 & Over age divisions.

Players who qualify for South Carolina Mixed Doubles State Championships may advance on multiple teams in the 18 & Over, 40 & Over, 55 & Over, and 65 & Over age divisions. No accommodations for scheduling will be made at the Mixed State Championships. It is the responsibility of the captain to make sure there are enough players on the team to cover players who may be playing on multiple teams at the State Championships.
